In order to safeguard the safety of child, High Five Child Care Agency at the time of enrollment of the child requires a written permission from the parents about the person who will pick up the child. Such person has to prove his identity before picking up the child. Parents are required to update the Agency in writing about any changes or alternative pick-up arrangements.

Admission Policy:

The prospective parents intend to use the services of High Five Child Care Agency have to fill and submit an application form mentioning therein the requisite details necessary for maintaining record of each child. Upon scrutiny of the form and enrolment papers, a meeting is held between the provider and the parents and the child. The family is encouraged to have a look at the premises and the facilities available therein.

In case the services of the Agency do not meet the needs of the family or the child, the Agency will provide assistance in finding an alternative solution suitable to the family or the child.

Once, spot is confirmed by the parents , they are required to pay 2 weeks in

advance fees in order to confirm the spot .

Wait List Policy:

Since High Five Day Care Agency strictly adheres to the rule of allowing a certain number of children in a child care center or home child care program under the Child Care and Early Years Act, therefore, priority is given siblings of children already enrolled. Children will be prioritized based on availability and the chronology in which the child was placed on the waiting list. The child is placed on a wait list for admission till space becomes available within program. The wait list is specific to the program location and does not guarantee placement of every child on the wait list. On availability of space, Agency's program supervisor or placement consultant contacts parents.

High Five Child Care Agency does not charge parents deposit for the placement of their child on a waiting list for a spot in a home premises that the Agency oversees. An enrolment fee is charged once a child has been offered a spot in a home child care premises.

Confidentiality

The waiting list will be maintained in a manner that protects the privacy and confidentiality of the children and families on the list and therefore, only the child's position on the waiting list will be provided to parents upon request. Names of other children and/or families and/or their placement will not be shared with other individuals.

Procedure

When a space becomes available, the family at the top of the waitlist will be contacted. Once a placement is offered, the parents will be charged the registration fee. Parents are required to confirm their acceptance of the offered placement with 48 hours. If they do not accept the placement within given time, the next family on the waitlist will be contacted. Siblings of children currently enrolled are given priority for placement on waiting list, however, parents have to fill the waiting list request form.

Withdrawal / Discharge Policy

A two weeks written notice is required from the parents who wish to withdraw their child from the program. In case of non-receipt of the notice, full program fees will be charge, which we collect at the time of registration.

If a child withdrawn for a temporary period or parents wishes to get their child re-admitted, such child will be placed on the waiting list and will be admitted on availability of space.

Activities Off the Premises

High Five Child Care Agency strongly encouraged community outings as part of the program philosophy. In case of off the premises activities, parents will be notified in advance about the date, time and place of the destination and parents are required to sign a permission form.

Participation by Parents and Family

High Five Child Care Agency actively encourages parent and family to participate on our program as volunteers. They are always invited to take part in the program by sharing a talent or skills, sharing cultural experiences, provide feedback on the services offered and participate on our advisory committee meetings.

Inclement Weather Policy

Although every effort is made by High Five Child Care Agency to provide child care services throughout the year, however, in the event of inclement / extreme

weather, dangerous road conditions, etc, we may close early or not open. In such situation, Agency's representative or the provider, as the case may be, will try to contact the parents for providing update.

Nutrition Policy

Proper health, growth, development and well-being of children largely depends upon proper and adequate nutrition at the early years. At High Five Child Care Agency, children are served with balance diet at the schedule timings meeting their daily requirement of energy / calories. Exhaustive menu is prepared by the provider in consultation with the parents so that permissible variety of healthy food is available to the children at the scheduled timing.

Extra energy is required by the children attending full day child care to keep them active throughout the day. This need can only be met by a healthy and balanced food containing all the necessary requirement of vitamin, fats, etc.

The home visitors examine the food and the daily menu chart which is given by the provider under the Canada's Nutrition Guide and help provider to make sure that the children are having variation of food from each

food group through their daily based menu. The process of food preparation is in consideration.

Food Policy :

The parents can provide the food or snacks to their child if the provider could not fulfill the child's need, but it should be properly labelled with child's full name, date and should not be shared or exchanged with any child under the proper surveillance.

Also, do not bring food to the childcare premises that contains allergic ingredients

Menus

High Five Child Care agency's home child care provider are required to prepare a daily / weekly Menu or for the period / duration suitable to the provider showing meals and snacks given to the children at home. Parent's suggestions / recommendations are noted and included in the menu along with substitute foods in case the listed food is not readily available any time / day.

Special Feeding Arrangements

At High Five Child Care center and home, alternative food for the children with special dietary is made available with the assistance of the parents e.g. children with known milk allergy are provided with an alternative

food. While alterations are made in the menu, it is ensured that dietary need of the other children as well as that of with known food allergy is not compromised. In case a child has dietary restriction or requirements, written instructions or Individualized Support Plan form is obtained from the parents.

In order to avoid cross contamination, it must be ensured that a child with a life threatening allergy / anaphylaxis use only his / her dishes and cutlery so that allergen present on other children's dishes / cutlery may not come in contact with the allergy sensitive child.

Health Policy

The child care providers of High Five Day Care Agency are required to maintain the updated health and boosters/vaccines record sheet of all registered children which is provided by the agency so that it can be accessible on demand.

Smoking Prohibition

Under the Smoke Free Ontario Act 2006, smoking is strictly prohibited in all day nurseries and private home daycare, licensed under the Day Nurseries Act. Thus, High Five Child Care Agency has made it obligatory to all licensed child care home to be smoke free irrespective of the presence of children.

Maintenance Of Hygiene

At High Five Child Care Agency special attention is given on maintenance of hygienic conditions which reduces the children exposure to the illness cause by germs. Since germs present on toys and other frequently used surfaced can live for hours to weeks, therefore, spread of germs is minimized by way of first cleaning with soap and water and then disinfecting.

First Aid

Children are susceptible to injuries despite taking precautions. Child care home staff should be prepared to deal with any untoward situation / emergency. High Five Child Care Agency strongly recommend the providers to get their staff trained from a recognized institute / hospital so that they are prepared to deal with any untoward situation / emergency and able to give first aid and take appropriate and prompt action in case of serious incidents like poisoning, choking and administer CPR, if required.

Drug And Medication Administration Policy and Procedure

In order to provide explicit instructions to child care home provider, staff, students and volunteer regarding administering drugs or medication to the children at home child care

premises, High Five Child Care agency has developed Drug and Medication Administration Policy and Procedure.

This policy is made as per mandatory requirement vide Ontario Regulation 37/15 for the administration of drugs and medication in home child care premises overseen by home child care agencies.

The aims of the policy and procedures i.e. children's health, safety and well-being can be achieved by ensuring that:

- Only those drugs or medication is administered to the children deemed necessary and appropriate by their parents;
- The potential for errors is reduced,
- Medication do not spoil due to improper storage.
- Accidental ingestion is prevented
- Emergency allergy and asthma drugs or medication are administered promptly when needed, and
- Drugs and medications are administered safely according to established routine.

Rest Period

At High Five Child Care Agency it is firmly believed that there should be a balanced day for a child between his indoor and outdoor's energetic amusement and relaxing hobbies.

Relaxing hobbies will help their body to re-energize. During the infant, toddler and preschool level, relaxing hobbies must contain nap time. Activities like listening music, reading favorite books, or participating in any other restful activity can be done by School age children as relaxing hobbies.

Nap / Sleep Time

At High Five Child Care Agency center and child care home providers, nap / sleep schedule of a child is generated with the assistance of child's parent / guardian and the nap/sleep time/area is assessed together with them, so that they can evaluate their child's nap/sleep patterns and the changes or concerns made (if any).

Maintaining A Journal For Child's Nap/Sleep Time

All the High Five Child Care Agency's provider are required to maintain a 'Nap/Sleep Journal' of each child on daily basis by adding information regarding:

- Pattern and/or reoccurrence of nap(s)
- Caliber of nap(s)
- Duration of nap(s)
- Times of inspections done when the child(ren) were sleeping
- Any noticed changes or concerns regarding sleep or

nap pattern (and should be informed to parent/guardian about the details)

Parents/guardian can also ask for their child's nap/sleep time log.

Toileting

For the children who are not yet toilet trained, parents are required to supply diapers and bring in extra cloth to support toilet readiness.

Behaviour Management Policy

High Five Child Care Agency has developed Behavior Management Policy so that requirements under the Child Care and Yearly Years Act 2014 are materialized by the home child care providers in the best possible ways.

One of the main priority of High Five Child Care agency is the emotional and physical well-being of the children in care. An ideal policy yields results only when it is acted upon by all the stakeholders which in this case are the agency, the provider, the parents and the children. It is desired that the children at child care home display good manner and etiquette must know how to interaction with others keeping self-regulation, self-confidence and sensitivity.

Prohibited Practices

Following practices are not permitted at High Five Child Care as per Ontario's

the Child Care and Early Years Act, 2014:

Program Statement

High Five Day Care based in Ontario functions under the Ministry of Education and is striving to offer child care in the best promising environment suitable to

families, parents and their children through a flexible Program Statement.

Execution of Program Statement

The Program Statement has been developed within the parameters sets by the Ministry and is in consistency with the framework envisaged in Ministry's How Does Learning Happen? Ontario's Pedagogy for the Early Years (HDLH). All the stakeholders i.e. parents, families, children are taken onboard while setting up certain goals to be achieved through the Program Statement. These goals are achieved through active participation of not only the home child care provider but also the parents and the families.

The main object of the program is to yield maximum positive results for children's learning, development, health and well-being by active interaction with plans tailored to children physical and mental activities. The program statement caters each and every child's personal ability and potential. To ensure updating of the program in align with Ministry's policies, the program is reviewed annually.

Keeping in mind the importance of the program

statement, High Five Child Care provider gives special attention to the feedback of the parents with regard to the achieving the set goals through implementation of the program statement in letter and spirit.

High Five Child Care Agency's Program Goals & Approaches

Goal: a) To promote the health, safety, nutrition and well-being of the children:

Approaches:

- All children enrolled in our program have a record of immunization and health history on file before admission and are required to be updated annually.
- Site safety in the provider's home is conducted initially before the provider starts child care in their home and then quarterly to ensure safety of the home.
- Children are provided nutritious meals as per Canada's Food Guide, Canada's Food Guide-First Nations, Nutrition for Healthy Term Infants Guide.
- All provider's home are smoke free at all the time irrespective of the presence of children.
- Strict sanitary practices are adhered to by all homes.

b) To support positive and responsive interactions among the children, parents, child care providers and staff:

Approaches:

- High Five Child Care Agency's providers focus on the needs of each child in care in consultation with parents to learn about the child's liking, disliking, sleep preferences, food choice, etc. so that the child has a sense of belonging.
- Children are encouraged to interact in a positive manner with the provider, children and parents.
- Provider actively listen to the children where there is a problem and encourages cooperative play.

c) To encourage the children to interact and communicate in a positive way and support their ability to self-regulate:

Approaches:

- Providers role model the use of positive language and behavior at all times.
- Children are encouraged to take reasonable risk and test their limit through active play and interaction.
- Children self regulation is fostered and

supported through positive adult child interaction with their providers.

d) To foster children's exploration, play and inquiry:

Approaches:

- The children are provided with opportunities to explore and make choices in a safe and sound environment.
- Open ended materials are provided to the children to engage them in meaningful play experience.
- Our program caters for each stage of development as the child moves through various stage according to their ability.

e) To plan for and create positive learning environments:

Approaches:

- Providers have the resource of High Five Child Care Program to support the development of activities for indoor and outdoor child-initiated / adult-supported learning.

f) To incorporate indoor and outdoor play

as well as rest and quiet time:

Approaches:

- Through daily observations and interactions, the provider plan indoor and outdoor activities based on the children interests and the development of each child in the care.
- Daily 2 hours outdoor play is allowed to all children (infant, toddler, preschool, JK/SK, and school age) receiving care for 6 or more hours a day.
- Children may sleep, rest or engage in quiet activities based on their individual needs.
- Parents are consulted in respect of their child's sleep arrangements.

g)To communicate with parents about the program and their children:

Approaches:

- At the time of enrolment of the child, a meeting is arranged between the provider and the parent to learn in details about the program.
- Parents are always welcome to contact the Agency with their questions and concerns about their children, program or provider.
- Parents are updated regularly about any change in the program and the

progress of their children through emails, phone calls.

h) To involve local community partners”

Approaches:

- Children are often taken for walks in the neighbourhood including libraries, supermarkets and parts.
- Families are supported by working with Resource teachers and interventionists from the local neighbourhood.

i) To support staff, home child care providers in relation to professional learning:

Approaches:

- The staff, providers and others who interact with the children at home child care premises are encouraged to enhance their skills to ensure quality early learning experiences for children by:
 - a. participate in professional learning coordinated by licensed home child care agencies, municipality or other early years programs in the community.
 - b. connecting with community by participating in its programs and accessing its resources (e.g., visiting and using local libraries, recreation centres, parks,

and family support programs)

k) To review the impact of the program statement:

Approaches:

- Valued feedback is requested from the parents on the program statement to assess the effectiveness of the program.
- The program statement is reviewed annually (or as and when some changes are required immediately) and any change to communicated to the parents immediately.
- A record of all the feedback from the parents, visitors, providers, staff be documented to have a clear picture whether the program statement is being implemented strictly and effectively and what is the impact of the program statement in achieving the desired goals.

Safe Arrival & Dismissal Policy:

Purpose

This policy and the procedures within help support the safe arrival and dismissal of children receiving care.

This policy will provide staff, students, and volunteers with a clear understanding of their roles

and responsibilities for ensuring the safe arrival and dismissal of children receiving care, including what steps are to be taken when a child does not arrive at the daycare as expected, as well as steps to follow to ensure the safe dismissal of children.

This policy is intended to fulfill the obligations set out under Ontario Regulation 137/15 for policies and procedures regarding the safe arrival and dismissal of children in care.

Policy

General

High5 Daycare's provider will ensure that any child receiving childcare at the home daycare is only released to the child's parent/guardian or an individual that the parent/guardian has provided written authorization the childcare centre may release the child to in the 'Release Form.'

She will only dismiss children into the care of their parent/guardian or another authorized individual. She will not release any children from care without supervision.

Where a child does not arrive in care as expected or is not picked up as expected, staff must follow the safe arrival and dismissal procedures set out below.

Additional Policy Statements

Child can only be released to parents/guardians or authorized individual indicated in Release Form / Emergency Form

Procedures:

Accepting a child into care

1. When accepting a child into care at the time of drop-off, program staff in the room must:
 - greet the parent/guardian and child.
 - ask the parent/guardian how the child's evening/morning has been and if there are any changes to the child's pick-up procedure (i.e., someone other than the parent/guardian picking up). Where the parent/guardian has indicated that someone other than the child's parent/guardians will be picking up, the staff must confirm that the person is listed on ["Release Information" Form or where the individual is not listed, ask the parent/guardian to provide authorization for pick-up in writing (e.g., note or email).
 - document the change in pick-up procedure in the daily written record.
 - sign the child in on the attendance record.

Where a child has not arrived in care as expected

1. Where a child does not arrive at the daycare and the parent/guardian has not communicated a change in drop-off, the provider must: contact the child's parent/guardian either by calling, texting at least 3 times and leave message within 1 hour of scheduled drop off time. If there is still no response, then provider should contact another number provided in the Enrollment Form. In the end, leave the email about the absence to the parents. If the provider still does not receive any response, they must contact the Director who will then contact the parent/guardian of the child to confirm about the absence.
2. Once the child's absence has been confirmed, program staff shall document the child's absence on the attendance record and any additional information about the child's absence in the daily written record.

Releasing a child from care
